### Lesson Prices & Information

#### **THE LAUNCH – Your discounted 1st lesson with Launch!**

We offer this special discounted first lesson to get you started with Launch. YOUR RESULTS WILL BE AMAZING - Give us a try at \$25 off; you will be shocked at what you can learn in your 1st lesson! This package is great for any skill level, even those that have never wake boarded before. In this lesson we can instruct you on any trick from getting up to pulling off advanced tricks. You will learn as many new tricks as you can pick up in this time frame. This is ONE LESSON which includes three to four hours of instruction with one-hour of riding time (two thirty-minute sets).

**Only \$120.00**

**A \$145 Value - SAVE \$25!**

#### **THE LOCAL – Your returning lesson with Launch!**

This lesson is great for the returning wake boarder who wants to learn additional tricks and techniques. With this lesson, students can pick up the more advanced tricks which will help step them up to the next level. Great for those that don't want to spend a lot up front but still want to get some expert training. If you are really interested in progressing, we recommend our discounted lesson packages that allow you to save significantly off a regular priced lesson. This is ONE RETURNING LESSON which includes three to four hours of instruction with one-hour of riding time (two thirty-minute sets).

**Only \$145.00**

#### **THE COMPETITOR – Take it to the next level with this THREE LESSON PACKAGE!**

This package is for the wake boarders who wants continuous improvement. This package includes Three Separate Lessons. We can help you learn any trick or invert. Or, if you can already do inverts we can teach you how to do different types, go bigger and become more consistent. THREE LESSONS, divide your lessons up as you like. Each lesson is three to four hours of instruction with one hour of riding time (two thirty-minute sets).

**Only \$350.00**

**A \$405 Value - SAVE \$85!**

#### **THE PRO – Learn to ride like a Pro with this FIVE LESSON PACKAGE!**

This package is for the serious wake boarder who wants to learn how to ride like a pro! This package includes Five Separate Lessons. With this package you will save the most and see the most improvement over other packages. FIVE LESSONS, divide your lessons up as you like. Each lesson is three to four hours of instruction with one-hour of riding time (two thirty minute sets).

**Only \$525.00**

**A \$675 Value - SAVE \$200!**

#### **LESSONS ON YOUR BOAT – This is great for those that feel more comfortable riding behind their own boat.**

Want to

take a lesson but you want to use your own boat, not a problem. You can hire an instructor to give you the same quality one on-one instruction like our other lesson packages, but have the instructor all to yourself. Our focus is to always provide the best instruction at a reasonable price. Therefore to get the most out of the lesson, we recommend one hour per student.

This time can be divided up however you like (two half hour sessions or three twenty minute sessions). This is the ideal amount of time for someone to learn and allows the student to get the most out of their lesson. This is an excellent idea for any occasion, so schedule your private instructor today!

**Only \$70.00 Per Hour/Minimum 2 Hours**

**SAVE \$65 off each regular price lesson!**

#### **DAY CAMPS FOR KIDS (AGES 8 to 18) – Get the kids off the couch this summer and let them have fun on the lake.**

**Space is limited to 8 kids per class, so please reserve your spot as soon as possible for this summer's Day Camps.**

**Drop off time is 8:00 – 8:15 a.m. and pickups are between 4:45 & 5:00.** Our Day Camps are unlike other day camps because our instructors are highly trained and we primarily focus on teaching our students all about wakeboarding, fun and water safety. Whether they are a total beginner or they are doing flips, we can help them improve. We supply everything they needed for each day including equipment, food and fun (of course they can bring their own equipment if they wish). We will have pick up locations at Browns Ravine Marina and at the Granite Bay Launch Ramp. For more specific dates and times, please check out our website or give us a call.

**One Day Only - \$170**

**Two Days Only - \$320**

**Three Days Only - \$450**

**Includes everything needed for the day including food, fun, & equipment!**
